GLOBAL NOTES, STATEMENT OF LIMITATIONS, AND DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

The above-captioned debtor and debtor-in-possession (the "**Debtor**") in the above-captioned chapter 11 case, with the assistance of its advisors, has filed its Schedules of Assets and Liabilities (the "**Schedules**") and Statements of Financial Affairs (the "**Statements**" and together with the Schedules, the "**Schedules and Statements**") with the United States Bankruptcy Court for the District of Maryland (the "**Bankruptcy Court**") pursuant to section 521 of title 11 of the United States Code (the "**Bankruptcy Code**") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**").

These Global Notes, Statement of Limitations, and Disclaimers Regarding the Debtor's Schedules of Assets and Liabilities and Statements of Financial Affairs (collectively, the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of, the Debtor's Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled with the financial statements of the Debtor (whether publicly filed or otherwise). Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflect the Debtor's reasonable efforts to report the assets and liabilities of the Debtor.

In preparing the Schedules and Statements, the Debtor relied upon information derived from its books and records that was available at the time of such preparation. Although the Debtor has made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may cause a material change to the Schedules and Statements.

The Debtor and its officers, employees, agents, attorneys, and advisors do not guarantee or warrant the accuracy or completeness of the data that is provided in the Schedules and Statements and shall not be liable for any loss or injury arising out of or caused in whole or in part by any act

¹ The Debtor in this Chapter 11 case and the last four digits of its federal tax identification are ESCO, Ltd., DBA Shoe City (5654). The Debtor's principal address is 1800 Woodlawn Drive, Gwynn Oak, Maryland 21207-4007.

or omission, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained in the Schedules and Statements. Except as expressly required by the Bankruptcy Code, the Debtor and its officers, employees, agents, attorneys, and advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided in the Schedules and Statements or to notify any third party should the information be updated, modified, revised, or re-categorized.

Stanley W. Mastil, Chief Restructuring Officer of the Debtor, has signed the Schedules and Statements. Mr. Mastil is an authorized signatory for the Debtor. In reviewing and signing the Schedules and Statements, Mr. Mastil has relied upon the efforts, statements, and representations of various personnel employed by the Debtor and its advisors. Mr. Mastil has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors and their addresses. Neither the Schedules and Statements, nor the Global Notes, should be relied upon by any persons for information relating to current or future financial conditions, events, or performance of the Debtor.

Global Notes Overview and Methodology

- Reservation of Rights. Reasonable efforts have been made to prepare and file 1. complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtor reserves all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate to (including, without limitation): (a) amend the Schedules and Statements with respect to the description or designation of any "claim" asserted against the Debtor (as defined in section 105(a) of the Bankruptcy Code, a "Claim"); (b) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; (c) subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" and/or (d) object to the extent, validity, enforceability, priority, or avoidability of any Claim). Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against the Debtor. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtor's chapter 11 case, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, recharacterization, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtor shall not be required to update the Schedules and Statements except as may be required by applicable law.
- 2. <u>Description of Case and "as of" Information Date</u>. On March 31, 2023 (the "Petition Date"), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code with the Bankruptcy Court. The Debtor is operating its business and managing its properties as debtor-in-possession pursuant to Bankruptcy Code sections 1107(a) and 1108. On April 13, 2023, the Office of the United States Trustee for the District of Maryland (Baltimore Division)

appointed an Official Committee of Unsecured Creditors (the "Committee"), pursuant to Bankruptcy Code section 1102.

The asset and liability information provided herein represents the asset and liability data of the Debtor as of the Petition Date, except as otherwise noted. In some instances, the Debtor has used estimates or prorated amounts where actual data as of the Petition Date was not available. The Debtor has made a reasonable effort to allocate liabilities between the pre- and postpetition periods based on the information available to the Debtor and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the Debtor may modify the allocation of liabilities between the pre- and postpetition periods and amend the Schedules and Statements accordingly.

3. Net Book Value of Assets. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtor to obtain current market valuations for each of its property interests. When necessary, the Debtor has indicated that the value of certain assets is "unknown" or "undetermined." Accordingly, unless otherwise indicated, the Schedules and Statements reflect the net book value of the Debtor's assets as of the Petition Date. Furthermore, as applicable, assets that have fully depreciated or were expensed for accounting purposes may not be reflected in the Schedules and Statements as they have no net book value or have been scheduled as having zero net book value. The Debtor reserves its right to amend or adjust the value of each asset or liability set forth in the Schedules and Statements.

Book values of assets generally do not reflect the current performance of the assets or current market conditions and may differ materially from the actual value and/or performance of the underlying assets. Given the potential for volatility of market value for certain of the assets held by the Debtor, and depreciation, this difference is material. As such, the values listed in these Schedules and Statements cannot be, and were not, used to determine the Debtor's enterprise value.

- 4. <u>Inventory</u>. Inventory is reflected as net book value. The Debtor conducts a physical inventory from time to time as part of its normal policies and procedures. Prior physical inventory variances have been immaterial.
- Statements, the Debtor may, nevertheless, have improperly characterized, classified, categorized, designated, or omitted certain items. Accordingly, the Debtor reserves all of its rights to recharacterize, reclassify, re-categorize, re-designate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition. Disclosure of information in one or more Schedules, one or more Statement questions, or one or more exhibits or attachments to the Schedules, Statements, exhibits, or attachments.

6. <u>Liabilities</u>. The Debtor has sought to allocate assets and liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtor reserves all rights to amend, supplement, or otherwise modify its Schedules and Statements as is necessary or appropriate.

The Bankruptcy Court previously entered various orders the Debtor requested in certain motions filed along with its chapter 11 petitions (collectively, and together with any supplements, amendments, or further orders entered in response thereto, the "**First Day Orders**") authorizing, but not directing, the Debtor to, among other things, pay certain prepetition (i) service fees and charges assessed by the Debtor's banks and payment processors; (ii) employee wages, salaries, and other employee-related obligations; (iii) amounts owing to providers of utilities; (iv) insurance obligations; and (v) taxes and fees. As discussed below, prepetition liabilities which have been paid postpetition or those which the Debtor plans to pay via the authorization granted by the First Day Orders might not be listed in the Schedules and Statements. Regardless of whether such Claims are listed in the Schedules and Statements, to the extent that such Claims are paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtor reserves the right to amend or supplement the Schedules and Statements as necessary and appropriate.

The liabilities listed on the Schedules do not reflect any analysis of Claims under Bankruptcy Code section 503(b)(9). Accordingly, the Debtor reserves all of its rights to dispute or challenge the validity of any asserted Claims under Bankruptcy Code section 503(b)(9) or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

7. <u>Excluded Assets and Liabilities</u>. In certain instances, the Debtor has excluded certain categories of assets and liabilities from the Schedules and Statements. The Bankruptcy Court has authorized (but not directed) the Debtor to pay, in its discretion in the ordinary course of business, certain prepetition Claims on a postpetition basis. The Debtor has used its best efforts to remove such Claims from the Schedules.

As discussed above, the liabilities listed on the Schedules do not reflect any analysis of Claims under Bankruptcy Code section 503(b)(9). Accordingly, the Debtor reserves all of its rights to dispute or challenge the validity of any asserted Claims under Bankruptcy Code section 503(b)(9).

8. <u>Insiders</u>. For the purposes of the Schedules and Statements, the Debtor defined "insider" pursuant to Bankruptcy Code section 101(31) as: (a) directors; (b) officers; (c) persons in control of the Debtor; (d) relatives of the Debtor's directors, officers, or persons in control of the Debtor; and (e) debtor/non-debtor affiliates of the foregoing. The parties identified as "insiders" have been included for informational purposes only and the inclusion of them in the Schedules and Statements shall not constitute an admission that those persons are insiders for purposes of Bankruptcy Code section 101(31). The Debtor does not take any position with respect to: (a) such person's influence over the control of the Debtor; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under

applicable law, including, without limitation, the federal securities laws or with respect to any theories of liability or for any other purpose.

- 9. <u>Intellectual Property Rights</u>. Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtor reserves all of its rights with respect to the legal status of any and all such intellectual property rights.
- 10. Executory Contracts and Unexpired Leases. Although the Debtor has made diligent attempts to identify contracts and unexpired leases within the scope of Bankruptcy Code section 365, in certain instances, the Debtor may have inadvertently failed to do so. Accordingly, the Debtor reserves all of its rights with respect to the inclusion or exclusion of executory contracts and unexpired leases, including the right to amend Schedule G at any time during the pendency of this chapter 11 case.
- Classifications. Listing a Claim, contract or lease on (a) Schedule E/F, Part 1 as "priority unsecured," (b) Schedule E/F, Part 2 as "Non-priority unsecured," or (c) Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor's rights to recharacterize or reclassify such Claims or contracts or leases or to setoff against such Claims.
- 12. <u>Claims Description</u>. Schedules D and E/F permit the Debtor to designate a Claim as "disputed," "contingent," and/or "unliquidated." Any failure to designate a Claim on the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated," or that such Claim is not subject to objection. The Debtor reserves all of its rights to dispute, or assert offsets or defenses to, any Claim reflected on its Schedules and Statements on any grounds, including liability or classification. Additionally, the Debtor expressly reserves all of its rights to subsequently designate such Claims as "disputed," "contingent" or "unliquidated." Moreover, listing a Claim does not constitute an admission of liability by the Debtor.
- Causes of Action. Despite its reasonable efforts to identify all known assets, the Debtor may not have listed all of its causes of action or potential causes of action against third parties (collectively, "Causes of Action") as assets in the Schedules and Statements, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtor reserves all of its rights with respect to any: (a) cause of action (including avoidance actions), (b) controversy, (c) right of setoff, (d) cross-claim, (e) counterclaim, (d) recoupment, and (e) any Claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on,

or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

- 14. <u>Summary of Significant Reporting Policies</u>. The following is a summary of significant reporting policies:
 - a. <u>Undetermined Amounts</u>. The description of an amount as "unknown," "TBD," "undetermined," or similar indication is not intended to reflect upon the materiality of such amount.
 - b. <u>Totals</u>. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
 - c. <u>Liens</u>. The value of assets listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
- 15. <u>Estimates</u>. To prepare and file the Schedules in accordance with the deadline established in the chapter 11 case, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities. The Debtor reserves all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.
 - 16. **Currency**. All amounts are reflected in U.S. dollars unless otherwise indicated.
- 17. **Setoffs**. The Debtor periodically incurs certain setoffs in the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to pricing discrepancies, returns, refunds, inadvertent payments, negotiations and/or disputes between the Debtor and its customers, suppliers, and third party insurers. These normal setoffs are consistent with the ordinary course of business in the Debtor's industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtor to list such ordinary course setoffs. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtor's Schedules and Statements.
- 18. <u>Confidential or Sensitive Information</u>. There may be instances in which certain information in the Schedules and Statements intentionally has been omitted or redacted due to the nature of an agreement between the Debtor and a third party, concerns about the confidential nature of certain information, or otherwise. Additionally, Employee addresses have been listed as the address of the Debtor's corporate office.
- 19. <u>Global Notes Control</u>. In the event that the Schedules or Statements differ from any of the foregoing Global Notes, the Global Notes shall control.

Specific Disclosures with respect to the Schedules

Schedules A/B.

Part 1, Cash and Cash Equivalents. Cash is listed on Schedule A/B as of the Petition Date. The Debtor's cash management system is set forth more fully in the Debtor's Motion for Entry of an Order (I) Approving Continued Use of Cash Management System; (II) Authorizing the Debtor to Open and Close Bank Accounts; and (III) Authorizing Banks to Honor Certain Payments [Docket No. 16].

Part 10, Intangibles and Intellectual Property.

Patents, Trademarks and/or other Intellectual Property are listed as an undetermined amount on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.

Customer Lists are listed as an undetermined amount on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.

Intangible Assets and Goodwill are listed as an undetermined amount on account of the fact that the fair market value of such intangible items such as Goodwill and Trade Names is dependent on numerous variables and factors and may differ significantly from their net book value.

<u>Schedules E/F</u>. The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtor. The Debtor reserves all of its rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

The Bankruptcy Court has authorized the Debtor to pay, in its discretion, certain unsecured Claims pursuant to the First Day Orders, and the Debtor has paid certain wage-related claims for its employees pursuant to such First Day Orders. To the extent practicable, the Debtor's Schedule E/F is intended to reflect the balance as of the Petition Date. The Debtor may pay additional Claims listed on Schedule E/F during the chapter 11 case pursuant to the First Day Orders and other orders of the Bankruptcy Court. The Debtor reserves its rights to update Schedule E/F to reflect such payments and to modify the claims register to account for the satisfaction of such Claims.

The Debtor has used reasonable efforts to report all general unsecured Claims against the Debtor on Schedule E/F based upon the Debtor's books and records as of the Petition Date. Claims listed on Schedule E/F may have been aggregated by creditor name and remittance address and may include several dates of incurrence for the aggregate balance listed.

The Debtor has made reasonable efforts to include all unsecured creditors on Schedule E/F including, but not limited to, trade creditors, consultants, and other service providers; however, the Debtor believes that there may be instances where creditors have yet to provide proper invoices for prepetition goods or services. While the Debtor maintains general accruals to account for these liabilities in accordance with GAAP, these amounts are estimates and are not attributed to specific vendors. Accordingly, such accruals have not been included on Schedule E/F.

Schedule E/F also contains information regarding pending litigation involving the Debtor. The amounts for these potential Claims are listed as undetermined and marked as contingent, unliquidated, and disputed in the Schedules.

Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of executory contracts or unexpired leases. Additionally, Schedule E/F does not include potential rejection damage Claims, if any, of the counterparties to executory contracts and unexpired leases that have been or may be rejected, nor does it reflect applicable statutory caps or defenses to such potential rejection damage Claims.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtor's books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date.

<u>Schedule G</u>. Although commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, the Debtor's review is ongoing at the time of the filing of the Schedules and Statements and inadvertent errors, omissions or over-inclusion may have occurred in preparing Schedule G.

Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtor hereby reserves its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G.

Certain of the contracts and leases listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry. The Debtor expressly reserves its rights to challenge whether such related materials constitute an executory contract, a single contract or agreement, or multiple, severable or separate contracts or agreements.

Certain confidentiality and non-disclosure agreements may not be listed on Schedule G. The Debtor reserves all rights with respect to such agreements.

The contracts and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtor's use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. In some cases, the same supplier or provider may appear multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtor and such supplier or provider.

The Debtor reserves all rights, claims, and causes of action with respect to the agreements on Schedule G, including the right to dispute or challenge the characterization of the structure of any transactions or any document or instrument related to a creditor's Claims.
